
EXECUTIVE SUMMARY

The Outcome Budget broadly indicates physical dimensions of the financial outlays indicating the expected intermediate output & outcomes and this will serve as a tool to monitor with objectively verifiable indicators.

The Outcome Budget 2016-17 broadly consists of the following chapters.

Chapter-I : Brief introduction of the functions, organizational setup, list of major programmes /schemes implemented by the Department, its mandate, goals and policy frame work.

Chapter-II : Tabular format(s) (statement) indicating the details of financial outlays, projected physical outputs & projected outcomes for 2016-17 under Plan (State / Central) and Non-plan with list of works.

Chapter-III : The details of reforms measures and policy initiatives, if any taken by the Department during the course of the year.

Chapter-IV : Scheme wise /Programme wise past performance of the year 2014-15 & 2015-16 (upto Decmber, 2015)

Chapter-V : Financial review in shape of actual of the year preceding the previous year, Budget Estimate and Revised Estimates of the previous year, Budget Estimate of the current financial year.

Chapter-VI : Highlights the outlays provided for the schemes benefiting ST and SC groups showing flow of SCP and TASP in the budget 2016-17.

As assigned by the State Government, Public Works like construction of roads, bridges, Cross Drainage work and Nallahs, buildings including public health and electrical works etc are being executed by the Works Department. As road communication is the key element for the economic development of the State, this Department gives special emphasis to this sector.

This Department looks after road totaling length of km as detailed below:-

	Length in km
National Highways	4510.712
State Highways	4175.901
Major District Roads	2696.711
Other District Roads	<u>11997.863</u>
	23381.187

This Department has also an important role for improvement of buildings infrastructure in the State. As a whole for execution all these projects in the State, budget provision under different schemes are being made by the Department regularly.

The Outcome Budget, 2016-17 of Works Department as has been proposed in this booklet indicates physical dimensions of the financial outlays showing the expected probable outputs. The outcome budget will be a tool to monitor not just the probable physical "outputs" that are more readily measurable but also the "outcome" which are the end objectives.

Monitoring Mechanism :

During the course of execution of different works / projects, Works Department observes the total monitoring mechanism for timely and quantitative completion of the works.

- I. Inbuilt monitoring mechanism in the guidelines of each scheme of the Department so as to ensure that the objectives of the schemes are achieved by their proper implementation.
- II. Distinct measure in the monitoring system is carried out by holding review meetings at State level taken up by the Chief Engineers with the Superintending Engineers and Division Officers on a monthly basis. Similarly, Superintending Engineers also conduct reviews of Executive Engineers and Assistant Engineers pertaining to the Circle concerned suitably. Progress of implementation of different construction works are reviewed and future plans are discussed.
- III. A report on physical and financial progress of the project constructions activities is generally submitted by the Divisional Officers / Superintending Engineers to the Chief Engineers on a monthly basis which is analyzed at State level for monitoring purpose.
- IV. Quality Monitoring Personnel (QMP) have also been engaged at the Government level for 3rd party evaluation of execution process and quality as well.
- V. It's a duty bound job of every echelon of the entire hierarchy of the Department to conduct field visit, site inspection with objectives to ensure effective monitoring system and speedy execution of the works.
- VI. Submission of utilization certificate, Reimbursement Claim, Audited Accounts & other requisite reports.
- VII. The review meetings at all levels are being taken up through Online Project Monitoring Mechanism (e-Nirman).

Public Information System :

Measures as indicated below are taken at the time of execution of each project under Public Information System adopted by this Department.

- I. Display Boards showing important features of the project are generally fixed at every site.
- II. Works taken up mostly on tender basis which are widely circulated through National / Local dailies also through Government Web sites which serve as an important tool for the public dissemination.
- III. Works Department website also features as an important tool displaying all the activities for public exposure.
- IV. E-procurement ensures transparency, efficiency & economy in the tender process.
- V. Promoting the concept of social audit and accountability.
- VI. The RTI based website provides information for availability to public.

CHAPTER – I

INTRODUCTION

Organizational Set up :

Works Department is headed by the Engineer-in-Chief-cum-Secretary to Government. Besides there are 2 Additional Secretary, 1 F.A.-cum-Additional Secretary, 1 Joint Secretary, 1 Deputy Secretary, 4 Under Secretary and 1 A.F.A.-cum-Under Secretary. The field formation of Works Department has one Engineer-In-Chief (Civil), 7 Chief Engineers, [C.E., (DPI & Roads), CE, (Buildings), C.E., (NH), CE, (World Bank Project), CE, (Directorate of Designs), CE, (RD & QP) and Chief Engineer-cum-Chief Manager, (Technical), State Procurement Cell , 1 Joint Secretary & 1 F.A. in the O/O the E.I.C.(Civil) and 1 Chief (Architect) at Heads of Department level. There are 12 (R&B) Circles, 3 N.H. Circles, 1 Mechanical Circle, 1 Electrical Circle, 1 P.H. Circle & 1 RD&QP Circle in charge of Superintending Engineers, who are responsible to the concerned Chief Engineers for the administration and general professional control of the public works of the Department within their Circles. The Executive Engineers at the Divisional level are the executive heads of the Administrative Units of the Department. There are 49 (R & B) Divisions, 06 (RD & QP) Divisions. 16 N.H. Divisions, 4 General Electrical Divisions, 3 Mechanical Divisions and 2 GPH Divisions in the State. Also, there are 237 Sub-Divisions under the control of Sub-Divisional Officers in the rank of Deputy Executive Engineer / Assistant Executive Engineer who assist concerned Executive Engineers in discharging their duties.

Functions of the Department :

Road Sector:

Development and maintenance of an extensive road network is a major pre-requisite for development. Road communication is a key element for economic development of the State. The focus, therefore, is to improve the living condition of rural people by providing all weather road communication to inaccessible areas and upgrading the existing road network. The development of Agriculture, small scale and cottage industries, extension of public distribution networks, improving access to health care and education, depend to a large extent, upon stable all weather road communication. Above all, good roads improve the accessibility of the rural areas to markets and facilitate better delivery of services. Therefore, the priority of the State Government in this sector is to provide all weather road linkages to rural settlements.

Building Sector :

Roads are not, of course, the only thing that matter – the other facets of development activities relate to construction of new building infrastructures / maintain the existing one and above all planning for the upcoming building projects by tapping funds from various sources i.e. the State Budget / Central schemes / Deposits etc. Despite appreciable increase in the magnitude of the new building constructions and related infrastructure backlogs are fairly good in number.

These challenges are being taken care of either through a long term program or short term strategies synergizing the provision of additional infrastructure facilities starting from water supply, power supply to the fire fighting strategies, lightning arrester facilities, recharging ground water potential & resolving environmental issues through green buildings. Moreover, this organization in constant touch with the other Government Departments while constructing their buildings throughout the state to cater to the actual needs of the different user Departments and address the connected issues starting from land acquisition to the completion and handing over of the building for habitation.

The rapid addition of new building infrastructures across the various Government Departments poses a challenge to complete the projects in a scheduled time line. For this, formulation of a comprehensive plan programme is required to ensure steady flow of funds. The entire function of Govt. relating to new constructions / maintenance of building infrastructures covering the entire state other than the rural area is carried by this wing as per the rules of business.

1. Planning & Budgeting:-

The Department undertakes -

- a) Continuous need based planning,
- b) Project Prioritizing & Appropriate funding.

2. Engineering Applications :-

The Department has developed the following engineering applications -

- a) In-house preparation of site-specific Architectural drawings & Structural design.
- b) Processing the Architectural planning and the Structural design in close coordination to develop effective Building System.
- c) Adopting latest Indian Standards.
- d) Holistic planning in integrating other ancillary items i.e. Electrical and Public Health Installations.
- e) Approach towards sustainable development of human settlement has also been taken care of. **Roof top rainwater harvesting structure** is a part of the building construction which in other words contributes towards recharging the ground water potential making a sustainable human settlement. Use of **fly ash brick** in place of conventional CB / KB brick is being encouraged.
- f) Provision of **barrier free access** to the buildings benefits the physically challenged persons of the society to stand on equal footing with others. Construction of disabilities toilets in important buildings is also another dimension to cope with the matter.
- g) Designing Green Buildings.

-
-
- h) Widening and strengthening of important highways to accommodate the growing traffic.
 - i) Improvement of horizontal and vertical curves and road alignments for smooth flow of traffic & periodical renewals to roads.
 - j) Adoption of standards and specification prescribed by Ministry of Road Transport and Highways (MoRT&H) for improvement of roads and construction of bridges.

3. Updating of Schedule of Rates & Capacity Building :-

- a) Up-dating Schedule of Rates – It is required to continuously update the schedule of rates to take into account the increase in the price of material and labour over a period of time which ensures preparation of realistic cost estimates.
- b) Capacity Building – Apart from deputation of engineers to various training institutes, corporate bodies, technical institutions like Engineering Colleges, in-house training is imparted through the Research Development & Quality Promotion Cell, Bhubaneswar to create greater awareness among the engineers about the latest technologies and their applications. This ensures better quality assurance for the works executed by them.

4. Transparency:-

In order to make the procurement process more efficient and transparent e-Tendering has been adopted through a dedicated web portal <http://tendersodisha.gov.in>

DIFFERENT SCHEMES & PROJECTS IMPLEMENTED BY THE DEPARTMENT

1. Rural Infrastructure Development Fund (RIDF) with assistance from NABARD:

Many Infrastructure Project started earlier were lying incomplete for want of resources. Although there is urgent need of creating adequate employment opportunities in rural areas through Development of Infrastructure, earlier there had been virtually no Institutional arrangements for financing Rural Infrastructure. Against this background Government of India in the year 1995 – 96 announced the Schemes for setting up of Rural Infrastructure Development Fund (RIDF) to be operationalized by NABARD for financing the on-going as well as new Infrastructure Projects. NABARD Loan Assistance under RIDF has been a major source of funding for the road and bridge projects of the State. The list of proposal of the projects for NABARD Assistance is placed before the High Power Committee (HPC) on RIDF constituted under the Chairmanship of D.C.-cum-Additional Chief Secretary for clearance. After approval of Government to the projects cleared by the High Power Committee, the detailed estimates of the projects are sent to NABARD through Finance Department for sanction. On getting the projects sanctioned by NABARD, the process of implementation of the projects starts after completion of the required formalities.

Till end of 2014-15, total 367 no. of road projects with length of 5094.00 km and 184 no. of bridge projects have been taken up under this scheme out of which 249 road projects total covering to 4063.00 km road length in different stretches and 135 nos. bridge projects have been completed. During 2015-16 (upto end of December, 2015), 2 nos. of Bridge projects & 18 no. of road projects covering a length of 307.195 km have been sanctioned. During the year 2015-16 (upto December, 2015) 6 Bridge projects & 15 no. road projects covering a length of 168.00 km in different stretches have been completed. Budget provision of ₹.600.00 crore has been made for 149 nos. ongoing projects (39 Bridges & 110 Roads) and for 69 nos. projects in pipeline (19 bridge & 50 road). There is target for completion of 12 no. of Bridges & completion of 21 no. of road project covering total length of 400.00 km in different stretches during 2016-17.

2. Central Road Fund (CRF)

Governments of India have revamped the CRF by way of imposing cess on petrol and diesel consumed in the State. It has been decided to utilize cess on diesel and cess on petrol for improvement of State Highways, Major District Roads & Other District Roads. Out of this amount 10% is earmarked for development of roads / improvement of roads of Inter State and Economic Importance. For financing the State road under CRF, Government of India has prepared specific guidelines to be followed. Under this resources head, road and bridges are being improved with funds, available from Government of India since 2001-02. There is budget provision of ₹.550.00 Crore for the year 2016-17 for 5 nos. of ongoing road projects, 16Nos. of ongoing Bridge projects, 10Nos. of new Bridges, 12nos. New road projects & other 30Nos. new road & Bridge projects to be sanctioned by MORT&H,GOI during 2016-17. Physical target is set for completion of 5 nos.ongoing road projects with improvement of 10.00 km road lengths & completion of 2Nos. of Bridges during 2016-17.

3. External Aided Project (EAP)-Odisha State Road Project (OSRP)

Tripartite Loan Agreement has been signed with World Bank for the Odisha State Roads Project (OSRP) in January, 2009 for an amount of US\$ 240 million. The loan was restructured in June, 2015 to US\$ 163 million. It has been agreed to take up 303 km of busy corridors of the State identified under OSRP in the 1st phase at an estimated cost of ₹.1389.08 Crore. The loan has funding ratio of 80 : 20 by the World Bank and the State Government i.e. ₹.943.81 Crore and ₹.445.27 Crore. The period of implementation of this projects is extended upto 30.06.2016. The loan has been effective since April 15, 2009. All contracts were drawn for implementation of 303 km length of road as below.

- Berhampur – Taptapani (41 km)
- Bhawanipatna – Khariar (68 km)
- Chandabali – Bhadrak – Anandapur (88 km)
- Jagatpur – Chandabali road (106 km)

Total 110.000 km length of road has been improved by the end of March 2015 & 26.000km length of road has been improved during the year 2015-16 upto December, 2015 under World Bank Assistance projects.

There is a Budget proposal of ₹.175.00 crore with target to improve 100.00 km length of road during 2016-17.

4. PPP Projects.

Government of Odisha has long recognized the need to develop high quality road infrastructure through Public Private Partnership (PPP) mode. The State PPP policy frame work encourages PPP in upgrading, expanding and developing road infrastructure in the state. Works department in the past has initiated feasibility assessment of some major road projects for implementation in PPP mode. Some of them are under implementation at present and others are in the preparatory stage. Currently, one of the lifeline road project of Western Odisha, namely four laning work of Sambalpur - Rourkela section of SH-10, covering 167 Km length, which is a major part of the "Biju Expressway "is under implementation thorough PPP mode by the PPP Developer L&T IDPL at a Total Project Cost (TPC) of ₹.1292.56 Crore. The construction work for this prestigious project which had commenced from July 2014 is scheduled to be completed by June 2017, after which the developer L&T IDPL shall operate and maintain the road for next 19 years. This project has been approved by the Ministry of Finance, Government of India under VGF scheme (Viability Gap Funding) wherein Government of India shall provide VGF grant of ₹.258.51 Crore during the construction stage. The balance amount of VGF amounting to ₹.206.79 Crore shall be provided by the Government of Odisha during the operation stage.

Similarly, the department had earlier completed the project preparation of another important connectivity namely Capital Region Ring Road (CRRR), which is a proposed bypass road to the existing NH-5 so as to bypass primarily the Kolkatta & Chennai bound traffic plying on NH-5 from entering the city of Cuttack and Bhubaneswar. The estimated civil construction cost for this four lane bypass project of CRRR shall be about ₹. 954.90 Crore and Total Project Cost (TPC) under PPP mode of implementation shall be ₹. 1193.627 Crore. In addition to the above, the cost for land acquisition, utility shifting, tree cutting and other environmental mitigation measures shall be about ₹.560 Crore. It has been agreed in principle that CRRR project shall be implemented by Government of India and State Government shall facilitate all logistical supports which includes Acquisition of Land.

In addition to above major road project, Works Department has recently initiated various processes including project identification, viability assessment, preliminary clearances etc for implementation of about 40 (forty) projects under various financial model of PPP structuring considering the state budgetary constraints and need for sustainable growth of road infrastructure. A snapshot of prospective PPP projects as proposed for implementation during the coming financial years is presented below.

(₹.in Crores)

Sl. No.	PPP Model	Length of road/ Nos. of structures proposed	Approximate total project cost with O&M expenses	Upfront payment during construction in next 2years	Approximate Annuity payment per year	Gross payment at the end of 15 years
1	BOT(Toll)	30.00Km	395.00	19.00(GOI) 3.80(GOO)	Nil	22.80
2	BOT (Annuity+Toll)	593.00Km	1827.00	Nil	154.82	2322.90
3	BOT (Annuity-Hybrid)	673.00Km	1214.00	297.00	138.98	2381.70
4	OMT-Roads (Major Corridor)	212.00Km	78.50	Nil	Nil	Nil
5	Fly Overs (Annuity-Hybrid)	3Nos.	316.00	126.40	28.20	549.33
6	ROB (Annuity-Hybrid)	12Nos.	480.00	192.00	42.84	834.60
	Total		4310.50	619.20	364.84	6111.33

It may be seen from above that two numbers of road infrastructure projects with approximate project cost of ₹. 395 Crore has been proposed under BOT(Toll) model, which is generally applicable for high traffic road similar to the one being currently implemented for Sambalpur Rourkela project by L&T IDPL with VGF support from Government of India .Similarly 11 number of road projects covering a length of 593 km with total project cost of ₹.1827 Crore and annuity payment of ₹. 154.76 Crore for fifteen years has been proposed for implementation under BOT(Toll + Annuity) model which is applicable for moderate traffic road, where investment by the developer shall be repaid partly from toll revenue and balance through annuity payment spread over the concession period.Hybrid Annuity model with 40% upfront payment during construction period and balance 60% through annuity payment spread over fifteen years concession period has been proposed for low traffic road corridor, selected city flyovers and Railway Over Bridge (ROB) which do not qualify for Railway's 50:50 Cost Sharing. Ten numbers of road projects covering a length of 673 Km with project cost of Rs 1213.6 Crore and annuity payment of ₹.138.98 crore, three city flyover projects costing ₹.316 Crore with annuity payment of ₹.28.20 Crore and 12 numbers of ROB's costing ₹.480 Crore with annuity payment of ₹.60.19 crore shall be implemented in the coming years with above option. Finally the Operation-Maintenance-Toll (OMT) model of PPP has been planned for the road corridor where improvement work is complete from other source of funding like RIDF, State Plan etc and further scope of improvement is not required OR limited. In this case the investment to be made by the developer for operation & maintenance of the project under OMT model, limited to 5 - 7 years of concession only, shall be generated mostly from the toll revenue.

From the preliminary assessment, it is estimated that about ₹.4310 Crore of assets shall be created under the above four PPP model of implementation requiring about ₹.310 crore of budgetary support from the State Government during the first two years of construction and ₹.364.84 Crore of annuity payment for the subsequent fifteen years period.

There is budget provision of ₹.45.00 crore for 2016-17 for PPP projects.

5. SCA For KBK Districts under RLTA

Since 2001-2002 Government have taken effective steps for improvement of road connectivity in 8 KBK Districts of Odisha such as Malkangiri, Koraput, Rayagada, Nawarangpur, Nuapada, Kalahandi, Bolangir & Sonepur.

Under this scheme, 36nos. bridge projects and improvement of 785.09km road length with allocation of ₹.258.24 Crore have been taken up from 2001-02 to 2014-15, out of which 28 nos. of bridge projects and improvement of 752.15 road length have been completed with expenditure of Rs.245.08 Crore up to end of March, 2015.

During 2015-16, 16.73 Km of road in different stretches of 6nos. of roads have been taken up within the Revised Plan ceiling of ₹.30.00 Crore. By the end of December, 2015, expenditure to the tune of ₹.15.35Crore has been made with improvement of 19.94 of road length in different stretches along with completion of 1No. Bridge.

No Funds has been proposed under this scheme in the Annual Plan, 2016-17 as Niti Ayog, Government of India has delinked the scheme SCA for KBK Districts. The expenditure for ongoing projects taken up under SCA for KBK Districts will be met out of funds proposed under Biju KBK Yojana in order to protect the funding in KBK region.

6. Biju KBK Yojana:

In order to improve the socio-economic condition of people of KBK Districts, Government has taken effective steps to provide better connectivity as well as to improve existing roads. Works Department has been entrusted to take up road connectivity programme under RLTA from the year 2001-02. Most of the roads in KBK Districts pass through extremist affected areas and connect Andhra Pradesh and Chhatishgarh. Due to traffic intensity, continuous heavy down pour and flash floods in Hilly Terrain, the roads in the KBK Districts show signs of distress and develop heavy depression as well as number of pot-holes. Some missing links disconnect one place from another. Priority has been given to connect those by constructing bridges on missing links.

During 2015-16, Niti Ayog, Government of India has delinked the SCA for KBK Districts. As such, State Government has augmented the provision under Biju KBK Plan in order to protect the funding for the KBK region. During 2016-17, there is budget provision for ₹.30.00Crore under **Biju KBK Yojana** for 3nos. of ongoing bridge projects, 6Nos. of ongoing road projects & 11nos. of new road projects with a target for completion of 3 Nos. Bridges & 6Nos. of ongoing Road projects with improvement of 20.00Km of road length.

7. One Time Additional Central Assistance (ACA) :

Odisha is an attractive Trove House of Cultures, Customs and Traditions, languages and literature, Art and Architecture. Odisha truly bears the essence of India. Its ancient grandeur is unmatched. While contemporary scene is encouraging the future holds great promise on several counts. Vigorous pursuit on Tourism activities in the State shall not only help in economic progress of the State but also provide employment to its youth on sustained basis.

For providing a better connectivity to places of tourist importance/cultural heritage and to attract the tourists from various parts of the World, Government have taken conscious steps for improvement and strengthening of the roads connecting such places by providing one time assistance under this scheme.

By the end of the 2014-15, Planning Commission, Government of India have allocated ₹.777.53Crore for 193 No. of Projects. Out of which 166 No. of projects have been completed with an expenditure of ₹.656.95Crore by the end of March, 2015.

During 2015-16, NITI Ayog, Government of India has delinked One Time ACA Scheme. The spill over projects are executed with funds provided by State Government out of State Plan (Others). During 2015-16, improvement of 41.72 km of road length has been completed with completion of 14nos. of spill over projects with an expenditure of ₹.47.55 crore out of State Fund by end of December,2015.

No budget provision has been made under the scheme for 2016-17 & funds for completion of spill over projects will be met out of State Plan (Others).

8. Economic Importance Scheme under E & I Scheme :

Governments of India have sanctioned 10 nos. of road projects under the scheme with 50:50 Share of State Govt. and Central Govt. with an estimated cost of ₹.375.25 Crore till end of March, 2014. Out of above 10 projects, 8 no. of projects have been completed. By the end of 2014-15, 191.68 km road length has been completed with an expenditure of ₹.427.97 crore. During 2015-16, there was Budget Provision of ₹.30.00 crore for completion of 2nos. of ongoing projects.

The final budget for 2015-16 is now is ₹.18.80 crore. During 2015-16, 2Nos. of ongoing projects have been completed with improvement of 6.31Km of road length with an expenditure of ₹.12.80 crore by end of December,2015.

During the year 2015-16, 1no. of road project proposal covering a length of 29.00 km with estimated cost of ₹.38.97 has been submitted to MORT&H, Government of India for sanction during 2015-16.

During 2016-17, Budget provision has not been made in the State Budget as the payments for projects sanctioned under the Scheme will be made through DPP Mode by MORT&H, Government of India with 100% Central Share. The work for the project which is in Pipe line will be started during 2016-17.

9. Inter State Connectivity under E & I Scheme:

Government of India have sanctioned 9 nos. of Road Projects under this scheme with an estimated cost of ₹.164.65 Crore with 100% Central Share till March, 2015. Out of which,7 nos. of projects have been completed with an expenditure of ₹.57.94 Crore with improvement of 113.390km against the Central Assistance received of ₹.55.35 Crore by the end of March,2015.

The work for other 2Nos. of project "Improvement to Vizag-Jeypore road (SH) from 173/0Km to 198/0km" in Koraput District sanctioned with a cost of ₹.55.01Crore for improvement of 25.00Km of road length sanctioned during March,2014 & "Widening & strengthening of Chipat Junction to Baripada-Baghara road(ODR) from Km.14/000 to Km.39/000 " in Mayurbhanj District sanctioned with a cost of ₹.52.43Crore for improvement of 25.00Km of road length sanctioned during March,2015 have been started after finalization of tender by MORT&H, Government of India.

During 2015-16, estimate for 1 no. of road project for improvement of 17.70Km of road length with a cost of ₹.25.00Crore in Sundargarh District has been submitted to MORT&H, Government of India for sanction.

During 2016-17, Budget provision has not been proposed as the payments for projects sanctioned under the Scheme will be made through DPP Mode by MORT&H, Government of India. There is a target for completion of 20.00Km of road length during 2016-17 of the 2Nos. of ongoing projects.

10. Vijayawada – Ranchi Corridor

State Government has been constantly thriving for development of the Vijayawada – Ranchi Corridor within Odisha portion so as to facilitate development of Naxal prone areas in order to bring the inhabitants who are mainly poor tribal's to join the main streams of Society.

Development of this corridor is anticipated to reduce left wing extremism activities in those areas. Besides, on implementation of this project, a through connection will be available from Vijayawada to Ranchi with accessibility to the vulnerable areas, which will open the new prospect of development in these areas, equitable development of the un-development areas presently deprived of basic necessities and removal of the regional disparities with improved road connectivity.

The total length of the Corridor passing through Odisha is 1202.01Km out of which 239.30Km of road length is National Highways & Balance 962.71Km were State Roads. In the mean time, out of 962.71Km of state roads under V.R.Corridor, 916.30Km has been declared as National Highways leaving balance length of 46.41Km(Tatakaposhi to Deogarh). Original NH of 239.30Km of roads are of 2-Lane standard. Out of 962.71 State roads under Vijayawada – Ranchi Corridor, work has been taken for improvement of all 962.71km of road at sanctioned cost of ₹.2140.82 Crore under different schemes by end of December, 2015. Out of 962.71Km, National Highways wing of Odisha has started the execution for a length of 186.75Km in 3 stretches as declared as National Highways.

The state PWD is executing balance length of 775.96Km. Out of 775.96Km of road executed by State PWD, 635.48Km length of road has been completed with an expenditure of ₹.1128.38 Crore by end of December, 2015. It is targeted to complete the entire length of 962.71Km of V.R. Corridor in Odisha by 2019.

11. LEFT WING EXTREMISM SCHEME

Government of India have sanctioned 14 nos. of projects for improvement of 614.82km of road length including 1 no. of Bridge over river Gurupriya with an estimated cost of ₹.948.56 crore in Left Wing Extremism affected districts of Sambalpur, Rayagada, Gajapati and Malkangiri under L.W.E Scheme, out of which, 10nos. of Projects(1 in Sambalpur , 2 in Gajapati District, 2 in Rayagada District & 5nos. in Malkangiri District) have been completed and 4 no. of projects in Malkangiri district are in progress. By the end of December, 2015, 530.88Km has been completed with expenditure of ₹.803.10 Crore.

The construction of Bridge over Gurupriya in EPC Mode has been started by State Government through EPC Contract with revised project cost of ₹.187.25 Crore & the work is in progress. The expenditure to the tune of ₹.39.73Crore has been incurred for Gurupriya Bridge out of State Fund.

Government of India has been requested to provide full funds of ₹.187.25 Crore for the Gurupriya Bridge against the original sanctioned cost of the project of ₹.45.00Crore under LWE Scheme(RRP-I).

Government of India have been requested for sanction further 24nos. of road projects for a length of 375.00Km for improvement of road connectivity in Naxal Affected districts of the State with a cost of ₹.657.10Crore under RRP-II.

12. IMPROVEMENT OF STATE HIGHWAYS:

During the year 2013-14, Government had introduced a new scheme "**State Highways Development Project (SHDP)**" for development of State Highways in the State to Double Lane Standard. Under this new Scheme, all the State Highways of the State will be widened & improved to Double Lane Standard within 12th Five Year Plan Period. The projects costing more than ₹.50.00Crore under the scheme are to be executed in EPC contract & projects costing up to ₹.50.00Crore are to be executed in P1 Contract. Accordingly, State Cabinet have approved for development of 2158.26Km of State Highways to 2-Lane Standard with a Cost of ₹.3000.00Crore. By the end of 2014-15, action was taken for 2-Lanning work for **1601.24Km** of State Highways with project Cost of **₹.2704.59Crore**. Out of which, 112.73Km of road length has been widened to 2-Lane standard with an expenditure of ₹.293.66Crore by end of 2014-15.

During 2015-16, there is Budget Provision of ₹.941.20 Crore under SHDP Scheme. By the end of December, 2015 action has been taken for 2-Lanning of additional length of **138.12Km** with a project cost of **₹.241.17Crore**. Up to December, 2015 cumulative action has been taken for 2-lanning of **1739.36Km** of State Highways with a project cost of **₹.2945.76Crore**. By the end of December, 2015 during 2015-16, expenditure to the tune of ₹.580.00Crore has been made with completion of 2-lanning for **315.39Km** of road length.

A sum of ₹.500.00Crore has been provided for Annual Plan, 2016-17 for ongoing works & to take up balance length of State Highways with a target to complete double laning of 500.00Km of State Highways.

13. IMPROVEMENT OF P.W.D ROADS IN URBAN AREAS:

During the year 2013-14, Government had introduced another new scheme “**Improvement of PWD roads in Urban Areas**” for development of urban roads taken over from H&UD Department in next 2 Years. The Scheme has been approved for a project outlay of ₹.250.00Crore for improvement of 400.00 km ULB roads within the period spanning 3 years (2013-14 to 2015-16). There was Budget provision of ₹.75.00Crore during the year 2013-14 for the purpose. During 2013-14 by the end of March, 2014, 149 roads under 3 Municipal Corporations, 19 Municipalities & 18 NACs comprising of 231.13Km of road length with a cost of ₹.153.21Crore has been taken up. By the end of March, 2014, 65 nos. of roads have been completed with improvement of 98.00km of road length with an expenditure of ₹.83.50 Crore. During 2014-15, there was budget provision of ₹.70.87Crore for ongoing works & to take up new PWD roads in Urban Areas.

During 2014-15, 121.44 Km of new ULB roads has been taken up for improvement. By the end December, 2015, cumulative length of 352.57Km of road length has been taken up under 5 Municipal Corporations, 22 Municipalities & 22 NACs. During 2014-15, a length of 136.39Km of road length has been completed with an expenditure of ₹.70.87Crore.

During 2015-16, there is Budget provision of ₹.120.00Crore for improvement of ongoing ULB roads. By end of December, 2015, 65.88Km of ULB roads have been improved with an expenditure of ₹.74.55Crore.

A sum of ₹.40.00Crore has been provided for Annual Plan, 2016-17 for ongoing works & to take up new ULB roads with revision of Scheme outlay & physical target for improvement of 30.00Km of ULB roads.

14. Construction of North-South Corridor(Biju Expressway):

Government of Odisha has contemplated to develop a four-lane road of length 650.64 Km namely “North-South Expressway (BIJU EXPRESSWAY)” connecting Jagdalpur to Rourkela through western Odisha and KBK districts of the State. Out of total length of 650.64Kms of this Expressway 183.20Km of NHs are being improved by NHAI/MORT&H, 160Km of SH-10 (i.e. Sambalpur-Rourkella road) is under development through PPP mode by the State Govt. The remaining 307.44Km of the Expressway shall be taken up under Biju Expressway Scheme & the total project Cost has been pegged at ₹.3630.00Crore which includes Land Acquisition Cost. Depending on the estimated cost of various stretches, the works will be taken up either through EPC or through P-1 mode of contract. For better monitoring of the project, Authority’s Engineer will be engaged for EPC Contracts and Supervision Consultant for P-1 Contract.

The roads will be maintained by Works Department after expiry of defect liability period. State Cabinet has approved the Construction of Biju Expressway Scheme during 2015-16. The Project Corridor is targeted for completion by 2020.

During 2015-16, there is budget proposal of ₹.50.00Crore for taking of projects & Acquisition of Land. By the end of December,2015, a length of 56.25Km of Sohella-Nuapada road with a project cost of ₹.163.95Crore has been taken up. Expenditure to the tune of ₹.7.43 Crore has been made by end of December,2015.

There is Budget provision of ₹.150.00Crore during 2016-17 for ongoing projects & to take up new projects under the Corridor with physical target for completion of 30.00Km of road length.

15. Capital Road Development programme (CRDP):

Due to rapid growth of traffic, it has been imperative to widen & improve the road net work of the Capital City. During 2015-16, there is budget provision of ₹.26.00 Crore for development of roads in Capital City under this scheme. Road Projects costing ₹.47.19 Crore has been taken up for development of 9.79Km of roads in 8 stretches in Capital City. By the end of December,2015, 3.11Km of road length has been completed with an expenditure of ₹.13.99Crore.

There is budget provision of ₹.20.00Crore under Capital Road Development Programme (CRDP) for 8Nos. of ongoing Projects, 3Nos. of new road Projects & Capital Region Ring Road with a target for completion of 5.00Km of road length out of ongoing projects.

16. Fly Overs, Under Pass & ROB Projects:

Works Department is providing funds in Budget out of normal State Plan for construction of ROB. 5(Five) nos. of ROB. namely (i) ROB at Punama Gate of Bhubaneswar, (ii) ROB at Lanjipali of Berhampur (iii) ROB at Randia near Baudpur of Bhadrak, (iv) ROB at Basanti Colony of Rourkela ,(v) ROB at Haladiapadar in Ganjam District have been completed by the end of 2013-14. 2(Two) Nos. ROB. namely (1) ROB at Malatipatpur, Puri,(2) ROB at Simulia in Dhenkanal District has been completed during 2014-15 & 2015-16 respectively. (Sixteen)) nos. of ROB. i.e. (1) ROB at Managovindapur in Jajpur District, (2) ROB between Dhenkanal-Sadashibapur Station near Ranaposhi in Dhenkanal District, (3)ROB between Budhapanka-Talcher Railway station, Angul,(4) ROB at Saheed Nagar, Bhubaneswar,(5) ROB at Mancheswar Level Crossing Bhubaneswar, (6)ROB near Lingraj Temple, Bhubaneswar,(7) ROB between Soro-Markana, Balasore ,(8)ROB at Tamulia,Balasore,(9) ROB at Balugaon , Khurda, (10) ROB at L.C. No306 between Berhampur-Gopalpur Railway Station , (11)ROB at L.C. No-312 between Berhampur-Golanthara Railway Station, (12) ROB at Kudiary near Jatani in Khurda District,(13)Balance work of ROB at Muribahal,Titilagarh in Bolangir Ditrict,(14) ROB at LC No.-309 at Km. 599/8-10 between Jagannathpur-Berhampur Rly. Station (15) ROB at LC No.211 in between Rourkella-Panposh Station & (16) ROB at LC No.212 in between Rourkella-Panposh in Sundargarh District are in progress.

There is further proposal for taking up 16 nos. of new ROB. at different places during 2016-17. There is Budget Provision of ₹.122.00 Crore during 2016-17 for ROB Projects.

One Fly Over Bridge at Pipili on Khurda- Jatani-Pipili – Nimapara road has been completed during 2015-16. One No. Fly Over at Laxmi Talkies Square, Sambalpur is in progress. There is proposal to take up 5 nos. of Fly Over Bridges in Bhubaneswar. The proposed Fly Overs in Bhubaneswar are 1) at Rabi Takies Square, Kalpana & Mausima Square 2) at Damana Square, 3) at Kalinga Hospital Square, 4) at Housing Board Square, & 5) at Infovally Junction at Jatani Gate on NH-16, Bhubaneswar-Khurda Road.

There is proposal for construction of 1 No. Under Pass at Jagannath Colony with connecting Road from Jagannath Colony to Sakhipada, Sambalpur. There is Budget provision of ₹.3.00 Crore during 2016-17 for construction of Fly over & Under Pass.

17. Ring Road & By Passes:

Tender for 2 nos. by passes i.e. Jajpur By Pass & Manmunda By Pass in Boudh District are in process. There is proposal for taking up of 10 nos. of Ring Road / By Passes such as 1) Capital Region Ring Road, Bhubaneswar, 2) Sambalpur Ring Road/ by pass, 3) Berhampur Ring Road/ by pass, 4) Bolangir Ring Road/ by pass 5) Bawanipatna by pass in Kalahandi district 6) Mangalpur by pass in Jajpur District 6) Kamakhyanagar by pass and 7) Kankadahada by pass in Dhenkanal District, 8) Balasore Ring Road/ by pass, 9) Bhadrakh by pass and by pass road to Kendrapada Town during 2016-17. There is Budget provision of ₹.5.00 Crore during 2016-17 for this purpose.

18. Core Road Network (CRN):

In order to provide better focus on management of road sector, Government in Works Department put in place Core Road Network (CRN) system pertaining to roads having high traffic density, economic & tourism importance and such other roads catering mining and industrial areas of the State. Governments have declared 31 no. of roads covering 1610.250km as Core Road Network (CRN) vide Works Department, Government of Odisha Notification No.2669 dt.27.02.2009.

An amount of ₹.30.00 Crore Budget provision was made during the year 2015-16. By the end of December, 2015, expenditure of ₹.21.66 Crore has been made with completion of 5 nos. of small bridges & improvement & strengthening of 18.48 Km of road length along with improvement of riding quality of 15.61 Km of road length.

During 2016-17, ₹.30.00 Crore has been provided under Core Road Network for 1 No. ongoing Bridge, 4 Nos. Minor bridges, 8 Nos. of road projects and 4 Nos. of new road projects & 1 No. of new Bridge project. There is target for Completion of 2 Nos. bridges, 4 Nos. Minor Bridges & 8 Nos. of Road Projects with completion of 10.00 Km of road length.

19. NATIONAL HIGHWAYS :

22 Nos. of National Highways measuring of 4510.712 km in length traversed through the state of Odisha. Out of 4510.712 km of total length of National Highways in Odisha, 3048.386 km is under the control of NH wing of State PWD, 1462.326 km have been transferred to National Highways Authority of India for improvement and maintainance.

Special Repair to NHs

As there is wide gap between requirment and allocation of funds for maintenance and repair of N.Hs in Odisha, the State Government provided ₹.1500.00 lakh under State Plan during 2016-17 with a target for special repair of 40.00 km of road length and 1no of bridge under progres (Hati Bridge) to keep the NHs in trafficable condition.

20. NON-PLAN

Budget provision under non-plan is ₹.1284.0521 Crore including charged amount of ₹.4.9520 Crore.

(i). Repair and Maintenance of Roads and Bridges:-

Maintenance of extensive road networks is a major prerequisite in the context of upkeepment of Capital assets. Due to rising trend in traffic, it has also been imperative to conceive a well-formatted maintenance schedule for better maintenance of roads with the available resources. Besides rising trend of traffic, other factors like flood/cyclone and other natural calamities also play a role in damaging the roads every year. In the mean time a large number of roads of Other Departments have been taken over by Works Department. These roads also require immediate attention to bring these roads to PWD Standard & traffic worthy. There is budget provision of ₹.774.4285crore during 2016-17 for maintenance of road assets with repair and maintenance of roads and bridges, Baicadings & IBs.

(ii) Urban Link:-

Due to rapid industrilisation, the state of Odisha is witnessing urbanisation growth during last decade for which traffic congestion within the urban limit are now a general phenmenon. For which adequate funds are not being provided by the Government of India. Looking into the needs of public, State Government provides ₹.8.80 Crore during 2016-17 for taking up drain work, widening with paved shoulders, improvement of traffic junctions etc on National Highways.

(iii) Repair and Maintenance of Residential and Non-Residential Buildings:-

There is budget provision of ₹.495.8716Crore for upkeeping the existing infrastructure.

(iv). Provision under Charged Head:-

There is provision on charged head for maintenance of official Residential of Governor, Residential Buildings occupied by Secreatariate staff of Governor and Payment of Decretal dues for an amount of ₹.4.9520 Crore.

CHAPTER – II

OUTCOME BUDGET FOR 2016-17

The exercise is primarily meant for converting financial outlays into measurable and monitorable outcome. It is a performance measurement tool that helps in better service delivery, decision making, evaluating programme performance and results & improving programme effectiveness. The outcome Budget is also aimed at changing the outlook of the agencies entrusted with the responsibility of programme execution and implementation. The idea is to make the programme implementing agencies more result oriented by shifting the focus from "Outlays" to "Outcomes".

The scheme-wise details, wherever necessary of the Outcome Budget for 2016-17 are indicated in the attached statement.

CHAPTER – II
OUTCOME BUDGET FOR 2016-17

Department: Works

(IN THOUSANDS OF RUPEES.)

Sl. No	Name of the Schemes / Programmes	Financial Outlay	Broad objective	Quantifiable/ Deliverable Physical Outputs	Project outcome	Processes / Timelines	Remarks / Risk Factors

CHAPTER – III

REFORM MEASURES AND POLICY INITIATIVES

01. INSTITUTIONAL STRENGTHENING ACTION PLAN (ISAP)

Institutional Strengthening Action Plan (ISAP) for the Works Department was approved by the State Cabinet on 9th. June 2008. It covers six major areas such as:

- Road Sector Strategy (Road Sector Policy, Core Road Network, ROW clearance, Road Fund, Master Plan, Road Safety Policy, Toll Policy, Axle Load policy, PPP Policy & Construction Industry Capacity Development)
- Core Processes in Roads Management (e-Procurement, Asset Management, Environ.& Social, MIS based performance monitoring)
- Organizational Structure & Management (Re-organization and strengthening of Works Dept. cells for PPP, Asset Management, Road Safety, Social & Environment etc.)
- Financial Management, Audit & Administration (IT based FMS)
- Information & Communication Technology and MIS (IT based MIS resources , computerization)
- Human Resources Development & Capacity Building (Extensive training, Objective based performance appraisal)

Sl. No.	Item	Status
1	Road Sector Strategy	a.) Odisha State Roads Toll Act-2010 has been enacted w.e.f. September, 2010 and Odisha State Roads Toll rules 2011 has been published. b.) Odisha draft road sector policy has been prepared which is being reviewed by Government and shared with other Stakeholder Departments for their review and suggestions. The road policy will be notified in FY 2016-17 once get concurrence by Government. c.) Core Road Network has been notified vide Works Department Notification No-2669 dtd. 27.02.2009 & separate budget allocated. d.) Construction Academy Building is completed. Government of Odisha in collaboration with Larsen & Toubro are imparting training to unemployed youth for skill development in Masonry, Bar bending and Form-work carpentry. e.) Odisha Road Network Master Planning based on GIS-Based Road Network Model will be adopted this year. This is a dynamic model, will act as a tool for long term investment planning in road sector. A report on completion of Inaugural Master Planning for main road network of Odisha has been

Sl. No.	Item	Status
		<p>prepared. Based on the recommendation, actions has been initiated.</p> <p>f.) A Draft Road Safety Policy 2015 has been framed by the Commerce & Transport Department, Govt of Odisha in light of recommendations in the Draft Road Safety Action Plan has been already approved by the Government and notified in Odisha Gazette for implementation.</p> <p>Consequent upon the approval of Road Safety Policy of Odisha-2015, Works Department has constituted Road Safety Cell and identified Black spots on NHs, SHs & MDRs. Road Safety Cell in association with HRD & Training Cell of the Works Department has organized an in-hose Training Programme on " Road Safety Audit" in June 2015 for capacity building in road safety matters to 76 OWD Engineers by CRRI, New Delhi. Appropriate actions to remove black-spots and necessary corrective counter measures through engineering interventions shall be taken in FY 2016-17 and onwards.</p> <p>(g.) A dedicated Road Safety Fund on the basis of recommendation of " Committee on Road Safety" appointed by SCI has been resolved at Government level to curb road accidents by way of enforcements, awareness Generation, establishing help lines at accident prone stretch & procurement of accessories/equipment for which detail plans and expenditure shall be prepared by the Transport Commissioner.</p> <p>(h.) Odisha outdoor advertisement & hoarding policy-2015 prepared by road safety cell, Works Department has been approved and notified in January 2016 to monitor the policy implementation by both Works/H&UD Department.</p> <p>(i.) Revised OPWD Code and a new OPWD Manual have been prepared with comprehensive revisions and addition of new chapters in alignment with National Trend and are under review of the Codes Revision Committee of Government. This revised Code is likely to be approved and implemented during the FY 2016-17.</p> <p>(j.) A report on Vehicle Axle Load Regulation & Management has been prepared and implementation of recommendations suggested therein are under active consideration of the Government.</p> <p>(k.) A report on Main Road funding options and creation of Road Fund for the maintenance need of PWD Roads has been prepared and is under active consideration of the Government.</p>

Sl. No.	Item	Status
2	Core Process in Roads Management	<p>E-procurement was launched in 2007 and being successfully implemented in the state. Other institutional arrangements have been provided to strengthen the e-procurement cell with posting of one Chief Engineer rank officer and other support officials.</p> <p>The Asset Management Cell of OWD is functioning under Chief Engineer (D.P.I. & Roads), Odisha. The information relating to roads and bridges has been maintained in a computer database. Necessary maintenance requirements for roads and bridges are assessed through scientific deterioration models. The goal of the assignment is to ensure that OWD is able to prioritize works on technical parameters for the road network using computerized AMS operating on a GIS Platform and to rationalize decision making in planning, programme, funding, procurement and in the allocation of resources in road sector to make best use of public funds in preserving the road network at an acceptable level of service. Maintenance requirement of the OWD road network for the year 2015-16 is under assessment partly by ORAMS.</p> <p>Social and Environmental units are functional for the World Bank Financed road projects only.</p>
3	Organizational Structure & Management / Reorganization	<p>PPP cell in Works Dept. is functional.</p> <p>Currently, one of the lifeline road project of Western Odisha, namely four laning work of Sambalpur-Rourkela section of SH-10, covering 167 km length, which is a major part of the "Biju Expressway" is under implementation through PPP.</p> <p>Similarly, the department had earlier completed the project preparation of another important connectivity namely Capital Region Ring Road (CRRR), which is a proposed by pass road to the existing NH-5 so as to bypass primarily the Kolkatta & Chennai bound traffic plying on NH-5 from entering the city of Cuttack and Bhubaneswar.</p> <p>It has been agreed in principle that CRRR project shall be implemented by Government of India and State Government shall facilitate all logistical supports which includes acquisition of land.</p> <p>In addition to above major road project, Works Department has recently initiated various processes including project identification, viability assessment, preliminary clearances etc for implementation of about 40 (forty) projects under various financial model of PPP structuring considering the state budgetary constraints and need for sustainable growth of road infrastructure. A snapshot of prospective PPP projects as proposed for implementation during the coming FY is presented below.</p> <p>Directorate of Designs has been established which is headed by a Chief Engineer, (Designs) with Executive Engineers and Assistant Engineers exclusively for Design works. Superintending Engineers are posted in Directorate of Designs.</p>

Sl. No.	Item	Status
4	Implementation of IT/ICT/MIS to modernize the financial management system, computerize the record keeping	A draft IT – ICT-MIS Strategy for the Works Department, compatible with e-Governance Scheme of Government of Odisha, has been prepared and the implementations of the recommendations are under active consideration of the Government. This report is likely to be approved and implemented in the year 2016-17.
5	Training & Capacity building in core skills	Draft HRD Policy of Works Departemnt along with TNA based Training Plan has been finalized and has been approved. The HRD & Training Policy of Works Department, Odisha 2015 has been notified in Odisha Gazette. HRD & Training Cell of Works Department has been established and functional in the O/o the E.I.C (Civil), Odisha, Nirman Soudha from FY 2015-16. For implementation of HRD & Training Policy of Wroks Deparemnt, an expert has been engaged and necessary induction trainings to new recruitee AEEs and JEs, more in-service trainings are planned to be organized in the FY 2016-17 to enhance the capacity of engineers of Works Department.

02. CAPACITY BUILDING

1. Infrastructure Management Information System (IMIS) for roads and buildings is on the way for its full-fledged establishment
2. e-Nirman has been launched for physical and financial monitoring of projects online.
3. Attracting Entrepreneurs for execution of major projects through PPP mode.
4. Improving R&D facilities, imparting training to the Engineers of Department to keep abreast with the latest technical know-how.
5. Adoption of Mechanized Construction technologies to ensure Economy and Faster completion of projects.
6. Adoption of Latest building technologies suiting to the State environment incorporating Green Building Technology conditions more on the Green Building concept are being adopted.
7. Implementation of Works and Accounts Management Information System (WAMIS).
8. e-Despatch has been made operational.

03. ONLINE PROJECT MONITORING MECHANISM (e-NIRMAN)

Process Flow and Features of e-Nirman (Web-based Online Monitoring System)

- Executive Engineer creates the work and provide financial year target (project wise monthly basis) along with physical target (component wise as per agreement).
- He assigns the work to concern section officer through Sub-divisional officer.
- Section officer updates the Financial Achievement on monthly basis by sms or through web.
- Then Executive engineer updates the Cumulative Achievement (Physical progress) of the work with photograph showing the physical achievement.
- Then users from Executive Engineer, Superintending Engineer, Chief Engineer, Engineer-in-Chief, Works Secretary and Development Commissioner monitor the work through their different logins.
- Users monitor financial achievement against target for monthly as well as yearly basis, Percentage of achievement against target along with scheme wise target-achievement analysis. Physical achievement against agreement quantity with showing actual site progress with photographs.
- Issue Management is there to monitor different types of issues such as Land Acquisition, Tree Cutting, Encroachment and Utility shifting to solve out this specific issues at earliest to expedite progress of work by remaining bottlenecks.
- Miscellaneous Issue section is there for internal communication purpose. Like want of allotment, others issues, meeting alerts any other kind of communication.
- Tender module is there for monitoring the nos of approved/accepted tender at different hierarchy levels and execution of agreement for timely Work execution.
- Inspection Module is there to monitor the Site visit Inspection and its compliance in a single window for all future references, which also helps in maintaining proper work execution and action monitoring.

-
-
- Data sheet report is added for calculation of nos of projects(Road lengths, Bridges, Culverts, Buildings(Green Rated/Non-Green Rated) etc) achieved against target during a Financial year.

Benefits of e-Nirman

- One touch solution for monitoring. Web-based and real time monitoring, centrally management.
- Makes system transparent from ground users to higher users both in physical and financial monitoring.
- Different kind of abstract reports can be generated without querying (involving) the users.
- Different kind of Graphical reports can be generated, by clicking few buttons.
- Users performance report can be generated.
- District/Constituency wise work lists can be prepared and easy for preparation of reports.
- Issues can be monitored and quick action can be taken for sorting it out at earliest rather than long delay process which would save time and increase efficiency for achievement of Budget Target.
- Contactor performance monitoring: - To monitor Contractor's activities in Works Department projects which helps in further decision for Technical evaluation of a tender of concerned contractor with on-going works in the Department.

Proposal for computerised project monitoring systems was conceptualised as a follow up action of Finance department letter No. 35689/Plan (UCZ-3/2010/F/18.08.2010). Accordingly, online project monitoring web-site of Works Department "e-nirman" was inaugurated by Hon'ble Chief Minister, Odisha on 01.03.2013. Continuous up-gradation of the system is being made to suit to the requirement of efficient project monitoring.

CHAPTER – IV (PART – I)
PAST PERFORMANCE OF PROGRAMMES AND SCHEMES

Achievements in execution of the schemes in terms of the financial and physical targets set in the outcome budget for the financial year 2014-15 is as follows :-

Department: Works

(IN THOUSANDS OF RUPEES.)

Sl. No	Name of the Schemes / Programmes	Financial Outlay	Financial performance during 2014-15	Quantifiable/ Deliverable Physical Outputs	Physical out come during 2014-15	Remarks
1	2	3	4	5	6	7
	State Plan :Roads					
1.	Rural Infrastructure Development Fund (RIDF) with assistance from NABARD.	8000000	8004032	Bridges – 38 ongoing & 4 New sanctioned, Roads –88 ongoing & 2 New sanctioned for a length of 906.00 Km. Bridges 17 nos and Road 73 nos in pipeline. Completion of 26 road projects covering length of 350 km and 3 bridges.	18 no. of road project completed covering total length 477.339 km length of road in different stretches and 5 nos. bridges completed.	Excess expenditure of TRs 4032 is as per audit expenditure booked by DAG, Puri. As booked by DAG, Puri excess expenditure by Bhadrak (R&B) Division for ₹.91,13,600 and less expenditure by Khurda (R&B) Division for ₹.50,81,600. Transfer entries suggested by E.E Bhadrak & Khurda (R&B) Division were not accepted by DAG, Puri at suppl. reconciliation stage.
2.	Central Road Fund (CRF)	1080800	1080800	On going road projects- 8Nos. New road projects-7 Nos. Completion of 5 nos.ongoing road projects with improvement of 40.00Km road length	3 nos. of road projects completed with improvement of 68.670 km of road length.	

Sl. No	Name of the Schemes / Programmes	Financial Outlay	Financial performance during 2014-15	Quantifiable/ Deliverable Physical Outputs	Physical out come during 2014-15	Remarks
1	2	3	4	5	6	7
3	External Aided Project (EAP) - Orissa State Road Project with assistance from World Bank.	1890000	1426207	Completion of 80.000 km road in different stretches	Improvement of 29 Km length of Road in different stretches.	₹.30.00 crore has been re-appropriated to other head of account as per actual requirement resulting final outlay as TRs.1599996. There was reduction of expenditure to the tune of TRs.163789 due to return of advance by the contractor and due to fluctuation of dolar rate but reduction of expenditure has not been accommodated by the iOTMs which resulted different in expenditure.
4	E&I for States &UTs from C.R.F.	400001	400001	Ongoing road projects-2 Nos. Completion of 2nos. on going road project with improvement of 13.80km road length.	Improvement of 17.300 km of road length of 2Nos. ongoing projects	
5	One Time Additional Central Assistance.	1170000	869836	Ongoing road projects-48 Nos. New road projects 7Nos Completion of 45nos. road projects with imrovement of 50.00km of road length.	29 nos. of road projects completed with improvement of 146.07 km of road length	Late finalization of tenders for which funds provided at supplementary stage

Sl. No	Name of the Schemes / Programmes	Financial Outlay	Financial performance during 2014-15	Quantifiable/ Deliverable Physical Outputs	Physical out come during 2014-15	Remarks
